Hand-drawn map of the area around the intersection of the railroad and the road, showing various distances and bearings. The map includes a railroad line running horizontally at the bottom, a road running diagonally from the top left to the bottom right, and several other roads and paths. Distances are marked along the roads, and bearings are indicated by numbers and letters. The map is labeled with 'R.R.' for railroad and 'Rd.' for road. The area is divided into several sections by the roads and paths.
