

NOTES

1. The existing ground surface between Ch. 150m. - 536.60m. is based on a pre-construction contour plan (M8, dwg. no. 2347/1). Between Ch. 0 - 150m. on the dividing bund and southeast rimworks it is assumed the original ground surface is 0.5m. above the stripped level.
2. The dashed line (---) represents the stripped level and is based on Renison Ltd. cross sections Dwg. No. 53.
