MEMORANDUM

MT LLOYD DISTRICT

Herewith is forwarded copies of a plan entitled "Reconnaissance Geology, Mt Lloyd Area". It is suggested these be sent to A.N.M. and Mr. L. Teakle.

This plan has been prepared primarily to provide an accurate topographic base for mapping purposes. Known geology, together with that predicated from a close study of the aerial photographs, and from information supplied by Mr. Teakle, is incorporated to assist in field work and preliminary planning.

This map, eventually will be superseded by field work now in progress.
