

List of Enclosures (Continued)

23. Igneous Interval Descriptions and Geochronology Data
24. Areal Extent of Paleogene Extrusive Volcanics Onshore Victoria
25. Core and Subfacies Descriptions T. Longus
26. Core and Subfacies Descriptions L. Balmei
27. Core and Subfacies Descriptions M. Diversus
28. Core and Subfacies Descriptions P. Asperopolus
29. Core and Subfacies Descriptions N. Asperus
30. Generalized Diagrammatic Facies Interpretation L. Balmei
31. Generalized Diagrammatic Facies Interpretation M. Diversus
32. Generalized Diagrammatic Facies Interpretation P. Asperopolus
33. Generalized Diagrammatic Facies Interpretation N. Asperus
34. Geochemistry Schematic
35. Otway Range Field Trip Localities
36. Geochemistry Summary
37. Present Day Geothermal Gradients
38. Horner Plots
39. Measured Vitrinite Data Display
40. Correlation of Modelled Vitrinite Values to Measured Vitrinite Data, Koorkah-1
41. Correlation of Modelled Vitrinite Values to Measured Vitrinite Data, Pelican-5
42. Correlation of Modelled Vitrinite Values to Measured Vitrinite Data, Poonboon-1
43. Correlation of Modelled Vitrinite Values to Measured Vitrinite Data, Bass-3
44. Correlation of Modelled Vitrinite Values to Measured Vitrinite Data, Cormorant-1
