| 1563 - 1566 | 100 | Claystone: As above, predominantly off white, very silty in part. |
|---|---|---|
| 1566 - 1569 | 80 | Claystone: As above. |
| | 20 | Sandstone: Colourless, translucent to transparent, fine and coarse, bimodal, angular and subrounded respectively, clean with traces of residual clay rims, loose unconsolidated quartz, fair porosity, no show. |
| | Tr | Coal: As above. |
| 1569 - 1572 | 100 | Claystone: Light brown, soft, dispersive, laminated, micromicaceous, carbonaceous specks. |
| 1572 - 1575 | 90 | Claystone: As above. |
| | 10 | Silty claystone: Off white, micromicaceous, soft, **FLUORESCENCE 50%** moderately bright patchy yellow, trace cut, trace colourless residue. |
| | Tr | Siltstone: Light brown, strong calcareous/dolomitic cement, red specks, carbonaceous specks, argillaceous matrix, very hard. |
| 1575 - 1578 | 70 | Claystone: As above. |
| | 30 | Silty claystone: As above, **FLUORESCENCE**, trace as above. |
| 1578 - 1581 | 90 | Claystone: As above, becoming off white in part. |
| | 10 | Silty claystone: As above, **FLUORESCENCE**, trace as above. |
| 1581 - 1584 | 100 | Claystone: Off white, light brown, commonly silty, micromicaceous, carbonaceous specks and microlaminae in part, soft, plastic. |
| | Tr | Siltstone: Light brown, argillaceous, dolomitic, carbonaceous specks, hard, angular. |
| 1584 - 1587 | 100 | Claystone: As above. |
| | Tr | Siltstone: As above. |
| 1587 - 1590 | 100 | Claystone: As above, very silty in part, grading to silty claystone. |
| 1590 - 1593 | 100 | Claystone: As above, predominantly light brown and slightly silty. |
| 1593 - 1596 | 100 | Claystone: Light brown, as above, slightly silty. |
| 1596 - 1599 | 80 | Claystone: Light brown as above. |
| | 20 | Sandstone: Colourless, fine grained, angular, good sphericity, well sorted, loose unconsolidated quartz, clean, trace mica, good porosity, no show. |
| 1599 - 1602 | 80 | Claystone: As above. |
| | 10 | Sandstone: As above, no show. |
| | 10 | Coal: Black, dull, firm to hard, blocky, lignitic. |
| 1602 - 1605 | 100 | Claystone: As above, light brown. |
| 1605 - 1608 | 100 | Claystone: As above, white and silty in part. |
| 1608 - 1611 | 100 | Claystone: As above, off white in part and very silty. |
| | Tr | Sandstone: As above. |
