

CONTENTS**Volume 1**

Abandonment Program

Completion Report

- I. Well Data Record
- IV. Casing – Liner – Tubing Record
- V. Cement Record
- VII. Samples, Conventional Cores, SW Cores
- VIII. Wire Line Logs and Surveys (incl. FIT)
- IX. Formation Tops / Zones
- X. Geological Analysis (Pre drilling prognosis vs actual results)

Palynology Report

Velocity Survey

- Plate 1. Structure Map on Top of Lower Cretaceous
- Plate 2. Structure Map on Top of Upper Cretaceous
- Plate 3. Geological Cross Section A – A¹
- Plate 4. Time Depth Curve

Three Rocks from Durroon – 1

The Petrography of Igenous rocks and cuttings of mixed origin from Durroon –1

Enclosures:

- Fig 1. Bass Basin – Durroon-1 – Cross Section before drilling
- Plate 1. Structure Map on Jurassic(?)
- Plate 2. Structure Map of the Lower Cretaceous (?)

Volume 2

Weekly Drilling Reports

Daily Drilling Reports

Letters and Notice of Intention to Drill

- Plate 1. Durroon-1 Time Depth Curve

Magnetometer Plot - Line B69A-5

Magnetometer Plot - Line B69B-8
