

5030-5060	20	Marl as above - marl prob. cavings.
	40	Siltstone, medium grey to brown as above, some fragments very glauconitic. Also light grey siltstone, soft, soluble.
	40	Shale, light grey to medium grey as above.
5060-5090	20	Marl as above, loose forams and bryozoa common.
	60	Siltstone as above, traces pyrite
	20	Shale as above
5090-5120	10	Marl as above
	70	Siltstone as above, pyrite clusters
	20	Shale grades to siltstone as above
5120-5150	10	Marl as above
	80	Siltstone as above
	10	Shale as above
5150-5190	10	Marl as above, occasional loose fossils (bryozoa, forams, echinoid spines, minute terebratuloid brachiopod) - cavings?
	80	Siltstone, medium grey to brown, also buff, hard weakly calcareous siltstone, glauconitic, pyrite clusters
	10	Shale, light grey to medium grey - grades to siltstone.
5190-5230	10	Marl as above
	90	Siltstone as above
5230-5290	10	Marl, light grey to green, firm to soft, calcareous, occasional loose fossils (cavings?)
	90	Siltstone, buff to dark brown and medium grey, glauconitic, weakly calcareous, pyritic, carbonaceous flecks, soft to firm, some hard.
5290-5310	10	Marl as above
	90	Siltstone as above
	Trace	Sandstone, fine grained, white, quartzose, calcareous (dolomitic cement, glauconitic.
5310-5350	10	Marl as above, occasional bryozoa replaced by pyrite.
	90	Siltstone as above, pyrite clusters.
5350-5370	10	Marl as above
	90	Siltstone as above
	Trace	Sandstone as above
5370-5430	10	Marl as above
	90	Siltstone as above
5430-5450		As above
5450-5490		As above
5490-5500	10	Marl, light grey to light green grey, firm to soft, bryozoa and forams embedded as above.
	90	Siltstone, medium brown to dark brown, firm, micaceous, glauconitic, pyritic, weakly calcareous and minor medium grey siltstone grading to silty shale as above.
5500-5510		As above. Slight increase in brown siltstone.
5510-5520		As above.
5520-5530		As above.
5530-5550	70	Siltstone, light to dark brown, pyritic, slightly carbonaceous, slightly calcareous
	10	Shale, light grey, moderately firm
	20	Marl, fossiliferous (cavings)
5550-5570	80	Siltstone as above
	10	Shale as above
	10	Cavings
5570-5600		As above. Increased amount of pyrite
