Dear John

Seven Mile Beach – Sanbar aerial photos and contour data

Barry Palmer (Sanbar) has asked me to pass the enclosed CD onto you. It is a copy of the data prepared by Photomapping Services under commission from Sanbar.

The CD contains a dxf of the surface contours and tiled imagery files in ecw format. The tile size is 1 km square.

Barry has asked me to let you know that MRT is free to use the data as you need.

Yours sincerely

Ian Woodward
