FINAL REPORT

EL32/2006, Ringarooma Bay

Period 13 March 2009 to 15 February 2010

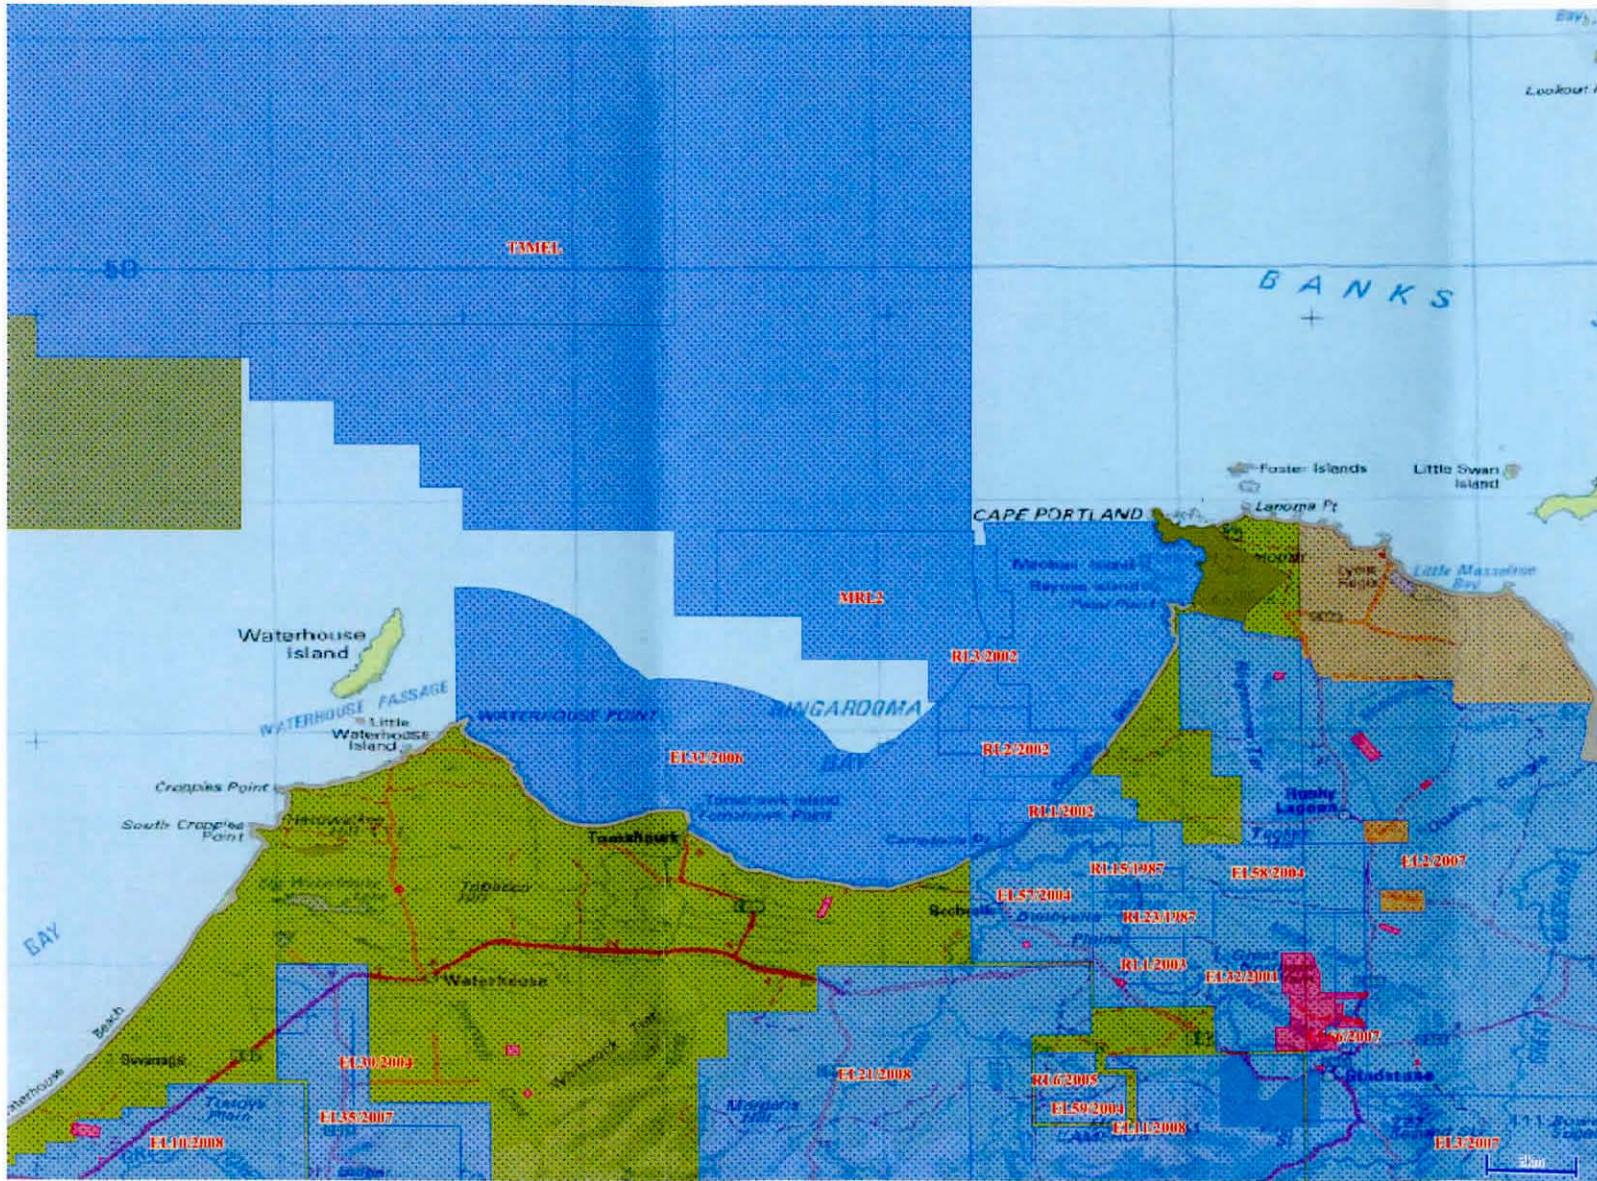

Bonaparte Diamond Mines NL acquired EL32/2006, as part of a research program which was to assess the possibility of accumulations of alluvial tin in an offshore environment.

Various Joint Venture negotiations were carried out but no formal agreements were entered into. No exploration fieldwork was completed during the period.

An application to surrender EL32/2006 was submitted on 15 February 2010.
