MEMORANDUM REPORT ON NEW MOON MINE PROJECT,  
BLUE TIER, E.L. 6/68.

I.R. Mortimore  
J.H. Rattigan

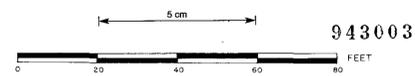

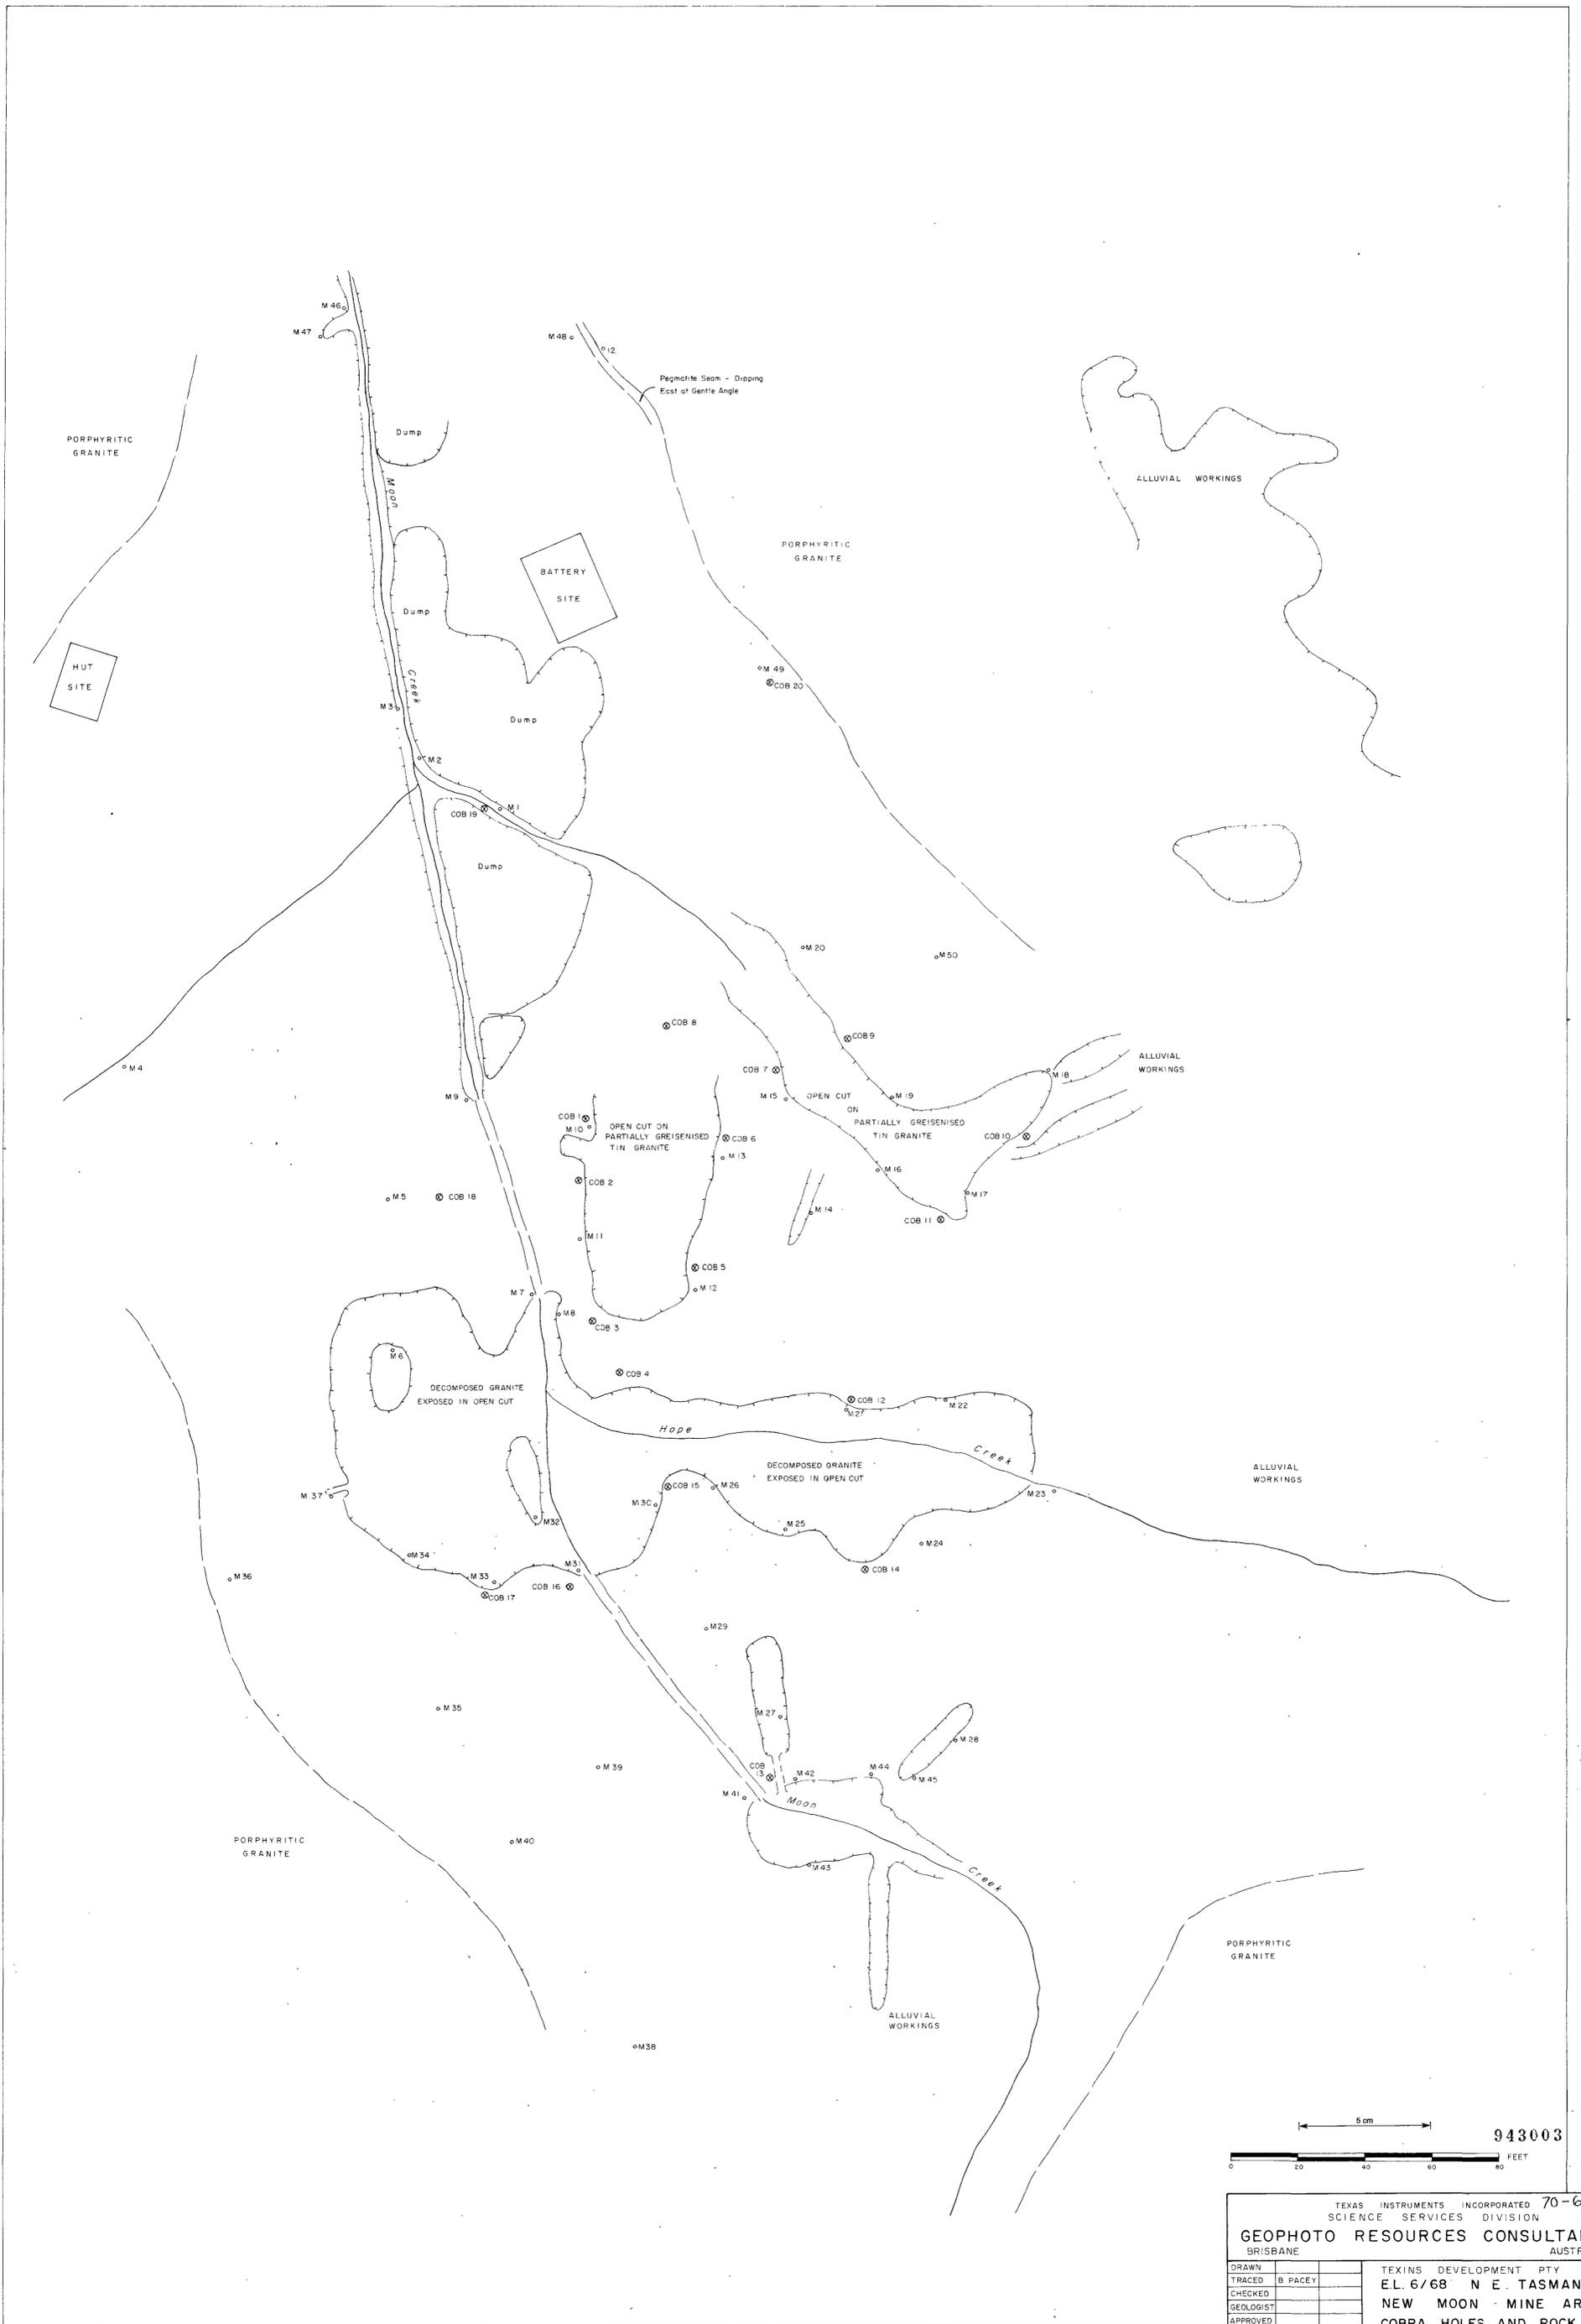

001

943002

Shallow drilling and chipping of rock samples from the New Moon Mine Area, Blue Tier, was done in July, 1970.

The sample points are located on Drawing 1/137 (attached).

Assays will be tabulated and interpreted in an appendix to this report.
