4. GRIDDING AND TOPOGRAPHIC SURVEY.

Large areas have been gridded as outlined on Fig.2. The grid base line was aligned magnetic E-W and all lines were cut magnetic north south.

A topographic survey of Sheet 1 - Shepherd and Murphy area, was commissioned by Urban Planners and Surveyors. The results of their survey-data sheet and contours are plans TAS-76-53 and 53A.

Slopes read during the gridding for sheets 2 and 3 are shown on plans TAS-78-162, 163.
