Dear Sir,

Beneficiation/Treatment of Moina Fluorite
Project No. 5/0/2862

Further to our letter dated the 12th July, 1976 and your response in the form of project proposal No. 5/0/2862 dated 6th August, 1976, we wish you to proceed with "Part A" of the proposed investigation at an estimated fee of \$9,700. Consideration will be given to "Parts B and C" when the physical beneficiation - Part A, is nearing its completion.

We would wish you to start this project as soon as possible and keep us regularly informed. Four (4) copies of all reports will be required and these should be sent to:-

- W. H. Andrews: Manager - Technical Services
- A. H. Bartlett: Manager - Exploration
- Dr. J. C. Nixon: Corporate Manager - Research
