

NB: Traverse commences on Cradle Mt Road North of Shepherd and Murphysias area and progresses south.

LEGEND
 — Gravity profile
 - - - Magnetic profile

NOTE: Gravimeter Sodin WS 410
 Sensitivity 0.01 m.gal.
 Readings repeatable to 0.04 m.gal.
 Terrain correction r.h.o. (is unaccounted for)
 Profile interpretation to be kept within a 250m segment.
 Magnetometer used: Spintrek MP2
 Protob. Precision type, mounted on 2m pole. Measures total field.
