

- LEGEND**
- Syncline
  - Bedding-strike and dip.
  - Shear Zone
  - Cleavage with dip.
  - Springs
  - Cleavage, vertical.
  - Topographic depressions (Usually water filled - not sink holes)
  - Swamps
  - Magnetite
  - Creeks
  - Geological boundaries
  - Road
  - 4 wheel drive track.
  - Walking track
- RECENT**
- Alluvial Soils
  - Alluvial - Cobbles and gravels
- TERTIARY**
- Basalt - Massive
  - Basalt - Agglomerate
  - Soil derived from basalt.
  - Sediments - Scree
  - Sediments - silts
- ORDOVICIAN**
- Limestone
  - Siltstone, Sandstone
  - Soils derived from siltstone - sandstone
  - Sandstone - Conglomerate
  - Soil and scree derived from sandstone
  - Greywacke - greywacke tuffs
  - Soils derived from greywackes
- CAMBRIAN**
- Quartz crystal tuff ("porphyry")
  - Soils derived from "porphyry"
  - Fine grained tuff - coarse siltstone
