○	W

ALTERATION

[Diagonal lines]	Quartz and topaz and/or tourmaline
[Grid]	Total tourmalinization, occasionally with hematite
[Triangle]	Hydrothermal
[Inverted triangle]	Collapse
[White box]	White Alteration Zones
[Dotted box]	Argillic alteration
[Diagonal lines]	"Green" alteration (sericitized granite) generally with hematite or pyrite
[Dotted box]	Quartz - mica greisen
[Dotted box]	Area of tourmaline nodules

LEGEND

ROCK TYPES

[White box]	Apile or microgranite
[Orange box]	Fine grained White granite
[Red box]	Medium grained Red granite
[Dark red box]	Coarse grained
[White box]	Porphyritic granite

[Dashed line]	Major lineament
[Solid line]	Fault
[Dotted line]	Definite Geological boundaries
[Dash-dot line]	Approximate Geological boundaries
[Dotted line]	Inferred Geological boundaries
