23.7.82

Dear Peter,

RE: JOB COM 821159

Enclosed are the assays for the samples delivered to our laboratory on the 23rd June, 1982.

We have not reported any XRF Cr values as the method has not been developed to our satisfaction. We repeated the high Cr by Fusion/AAS to give you an idea of the discrepancies between acid soluble Cr and Total Cr. The XRF Cr values will be available in about ten days and will be reported then.

Yours sincerely,

Harry Fishman
Managing Director
