

### 3. PROPERTY RELINQUISHMENT

The work to date has enabled definition of the most prospective coal bearing districts in the combined licence areas.

These prospective regions cover an area of 500 - 1000 sqr km. Accordingly, it is recommended that one half to two thirds (500 - 1000 sqr km) of the combined areas of EL's 18/82, 19/82 and 20/82 be relinquished at the next renewal date on the 30th September 1984.
