

about this
MAP
This map, covering an area of 10x20 kilometres, shows highly detailed topography and subjects of general interest. Cadastral features include boundaries of Municipalities, Wards, Towns, Reserves, properties and parcels. Maps in this series are available either flat or folded or as a microform transparency.

RIANA 4043

For information about other published or unpublished mapping, aerial photography and satellite imagery, contact Tasmania at 134 Macquarie Street, Hobart or write to: Tasmania, P.O. Box 444, Hobart, 7001.

PROJECTION: Universal Transverse Mercator (UTM).
HORIZONTAL DATUM: Australian Geodetic Datum 1986.
VERTICAL DATUM: Australian Height Datum (Transected) excepting offshore islands whose datum is mean sea level.
GRID: 1000 metre intervals of the Universal Transverse Mercator Grid, Zone 56 (Australian Map Grid, Australian National System).
CONTOUR INTERVAL: 10 metres with 50 metre contour intervals.
WORLD GEODETIC SYSTEM 1972: To convert co-ordinates from this system to Australian Geodetic Datum 1986, increase the value of latitudes by 52", equivalent to 101 metres, and decrease the value of longitudes by 42", equivalent to 101 metres. To obtain heights increase westerly longitudes by 12 metres.
MAGNETIC VARIATION: True, Grid and Magnetic North are shown diagrammatically for the centre of this map. Magnetic North is correct for 1984 and moves easterly about 0.1" every two years.

PRODUCTION: Mapping Division, Lands Department, Hobart, 1984.
ACCURACY: Horizontal: 90% of well defined detail is within 1/25 metres of true position. Vertical: 90% of elevations are within 5 metres. These accuracies may not be achieved in areas of dense vegetation.
RELIABILITY: Topography compiled from aerial photography from 1983 with field verification available.
NOMENCLATURE: Place names have been approved by the Nomenclature Board of Tasmania. PUBLIC RIGHT OF WAY: Roads on this map do not necessarily indicate a public right of way. ROADWAY: A five yearly revision cycle is intended for this series. Heavy routing errors and omissions are invited to write to the Director of Mapping, GPO Box 444, Hobart, Tasmania, 7001.
