L.L: P.I: L.S: D.R:

Special Tests:

Group Symbol (unified soil classification system): G.W-G.P.

Geological Description: decomposed dolomite with many large boulders

History: Probably used in making of Sandfly Road - D.M.R. Also used by owner.

Remarks: Pit is presently being worked by P.W.D for use in repair work & improvement of Sandfly Road. The large boulders are to be used as fill in new bridge project further along the Sandfly Road. Pit has got terracing at nth end & str. end is used as a dumping area by P.W.D.

Average dimensions 280x40x8, 30x40x4 (older workings) 90,000
